

Family, Friends and Colleagues,

I'm writing to ask for your support of Bounce Back from Cancer™, Baptist Health Foundation's annual event in partnership with the Miami HEAT, that raises funds to enable the physicians at Baptist Health Miami Cancer Institute to find cures for cancer, right here in our community. Miami Cancer Institute opened its doors over five years ago under the leadership of Miami native, Dr. Michael Zinner. Since then, the Institute's team has provided "high-tech, high-touch" care to thousands of our friends and neighbors in a bright, warm and friendly, state-of-the-art facility. With your support, it can do even more through research, clinical trials and other innovations.

Thanks to your support, Bounce Back from Cancer™ has raised more than \$3.5 million to fund life-saving cancer research and services, and this year, our goal is to raise an additional **\$2.5 million!** I'm writing to ask for your support once again.

Please join me by doing one of the following:

- **SPONSOR MY [14.2 mile OR 2 mile] dribble** or join **[Insert Team Link]**.
- Build a Team. Personally **REGISTER** and begin to **FUNDRAISE**- here's the link: <https://www.heathelpcure.org/>

Join us on Sunday March 12, 2023, as we dribble (or walk) 14.2 miles from Miami Cancer Institute, or 2 miles from The Underline Brickell's Backyard, to the Miami HEAT's arena. Miami's own Udonis Haslem, our Bounce Back from Cancer™ ambassador, will be there cheering on our participants and leading the celebration! This promises to be a lot of fun PLUS there's plenty of social media exposure. As a bonus, 14.2 mile finishers who go the distance and raise a minimum of \$500 will receive a signature basketball signed by a Miami HEAT player!

Donations of any amount are greatly appreciated. Every dollar will be used to support research and clinical trials at the Institute.

If you need more convincing – watch this video: [Bounce Back from Cancer™ | Adrian's Story](#) or listen to UD: [Bounce Back with Miami HEAT's Udonis Haslem on Vimeo](#).

Thanks in advance for your thoughtful consideration and support.
